The University of Texas School of Medicine at San Antonio

millercs@uthscsa.edu or contact the Program Coordinator at mdmph@uthscsa.edu

(210) 567-7407

Fax: (210) 567-7457

Name of school/program that offers the MPH curriculum:

University of Texas School of Public Health

Length of program: 4 years (5 years optional)

Up to 10 hours of cross-credits toward the MPH available for coursework completed in the Medical School.

Available Concentrations:

- Global health

This MD/MPH program features a unique Border Health elective—the STEER (South Texas Environmental Education and Research) Program. STEER is credited as both a global health practicum and a medical school elective. The STEER elective is also popular with medical students and public health graduate students across the nation, with many other institutions granting elective or practicum credit.

You may apply:

- While applying to medical school

MPH Tuition Policy:

Full MPH tuition
